Case No.: 2:16-cv-000074-JAD-GWF

**Order Denying Motion to Dismiss with
Leave to Refile in Compliance with
Local Rules**

[ECF No. 47, 48, 49]

10
11 Effective May 1, 2016, Rule 7-2(a) of the Local Rules of Practice for the United States
12 District Court for the District of Nevada makes it clear that, when a motion is filed, “[t]he motion
13 and supporting memorandum of points and authorities must be combined into a single document that
14 complies with the page limits in LR 7-3.” And Local Rule IA 10-1(a)(1) requires lines of text in
15 motions to be “numbered consecutively beginning with 1 on the left margin of each page with no
16 more than 28 lines per page.” Declarations in support of a motion should be attached to the motion
17 as an exhibit, and the form of that exhibit must comply with Local Rule IA 10-3.

18 Sungame Corp., Freevi Corporation, Commander 3D, Inc., Neil Chandran, and Chandran
19 Holding Media, Inc.’s Motion to Dismiss¹ was filed in three separate docket entries on May 27,
20 2016: a Notice of Motion to Dismiss the Complaint (ECF No. 47); a declaration in support of the
21 motion (ECF No. 48); and a memorandum of law in support of the motion (ECF No. 49). These
22 filings violate this court’s local rules for motions because no notice of motion is required; only a
23 single motion that *contains* the memorandum of points and authorities should have been filed; and
24 the declaration should have been filed as an exhibit attached to the motion itself, not as a separate
25 document. The motion should also have numbered lines (like this order does along the left margin).
